## Services we provide

We will help you to choose a loan or lease which is suitable for your purposes.

We will provide you with information on a broad range of financiers and products.

Once you have chosen a loan or lease that is suitable for you, we will help you to obtain an approval.

## Our panel lenders

We source finance from a panel of financiers. The financiers named below in alphabetical order, are the six financiers with whom we conduct the most business.

- ANZ
- CBA
- Homeside (NAB)
- ING Direct
- St George
- Westpac

## We will need information from you

Under the NCCP Act, we are obliged to ensure that any loan or principal increase to a loan we help you to obtain or any lease we help you to enter is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable.

The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation;
- take reasonable steps to verify that financial situation.

Credit will be unsuitable if at the time of the assessment, it is likely that at the time the credit is provided:

- you could not pay or could only pay with substantial hardship;
- the credit will not meet your requirements and objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason we must ask you to provide a significant amount of information.

It is therefore very important that the information you provide us is accurate.

We must provide you with a copy of our preliminary credit assessment of your application if you ask within 7 years of when we assist you. We are only required to give you a copy of the credit assessment if we give you credit assistance.

If we arrange a loan for you to purchase or refinance real estate, remember you must make your own enquiries about the value of the real estate and its potential for future growth. Although we may obtain a valuation, that is for our own use and you should not rely on it.

## Fees payable by you

We do not charge you for our services because we are paid commission by the financier. However, you may need to pay the financier's application fee, valuation fees, and other fees.

## Commissions received by us

We may receive commissions from the lenders and lessors who provide finance for you as our customers. These are not fees payable by you. You may obtain from us information about a reasonable estimate of those commissions and how the commission is worked out.

We have a volume bonus arrangement in place with a range of lenders under which those financiers may pay us additional commission depending on the total volume of business we arrange with them.

## Commissions Payable by us

We source referrals from a broad range of sources. For example, we may pay fees to call centre companies, real estate agents, accountants, or lawyers for referring you to us. These referral fees are generally small amounts and accord with usual business practice. These are not fees payable by you. You may, on request, obtain a reasonable estimate of those commissions and how the commission is worked out.
